Edge to Edge (dense)	.025/square inch
Thread	3.00 solid 5.00 variegated
Batting	.24 linear inch (smallest dimension +6")
Attach Binding	.10 linear inch
Topstitch Binding (by machine)	.10 linear inch

Quilt Top Preparation

Quilt tops should lay flat and be square to avoid puckers when quilted.

Excess fabric in borders can result in puckers during quilting.

Edge seams should be secured. Press quilt top and remove excess threads. Pin your name and phone number to your quilt top and backing.

***Helpful Hint to prevent quilting puckers:** Measure your quilt across the top, at the center and at the bottom. These three measurements should be the same. If not, make necessary adjustments prior to quilting.

Quilt Back Preparation

Selvages should be removed and seams (1/2" seam allowance) pressed open.

Backing should be squared at top and bottom and should measure 8-10 inches larger than the quilt top.

Sheets cannot be used as backing.

Quilt Drop Off

Prepare your quilt top and bring it to Quilted Treasures during regular business hours.

Check in:

- Preview quilt top and backing with QT staff member
- Make selections on quilting design and thread preferences
- Review and sign estimate
